

Dear Emergency Food Bank Supporter

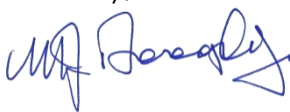

It is with our pleasure that we invite you to participate in **“A Taste That Matters”** On Saturday, June 24th, Chef Rima Barkett and Bella Vista will be hosting a fundraising dinner held on the beautiful Bella Vista Terrace. This event is expected to attract 200 guests consisting primarily of business professionals, community philanthropists, and EFB sponsors. Guests will be treated to a delicious dinner of Chef Rima's specialties followed by a silent and live auction.

In 2017, the Emergency Food Bank Stockton/San Joaquin (EFB) will be celebrating 49 years of providing emergency food for residents in our city and County. Help support the fight against hunger in our community by becoming “A Taste that Matters” event sponsor. As a sponsor, your name and logo will be featured in promotional materials including event signage and logo displayed on the projection screen at the event, logo added to our webpage, social media sites and our thank you ad in The Record newspaper.

If you have any questions regarding our first Annual “Taste That Matters” or your participation as a sponsor, please feel free to contact me at any time. You may also visit our website, www.StocktonFoodBank.org for more information regarding our very worthwhile organization and this event. We hope you are able to support the Emergency Food Bank team in this event and help us keep healthy food on the tables of local families.

On behalf of the families we serve now and in the future, please accept our warmest thank you for your consideration, participation and support of the Emergency Food Bank team. I look forward to hearing from you at your earliest convenience.

Sincerely,

Mike Donaghy
Executive Director
